FRANKENWEENIE

From creative genius Tim Burton comes Frankenweenie, a heartwarming tale about a boy and his dog. After unexpectedly losing his beloved dog Sparky, young Victor harnesses the power of science to bring his best friend back to life—with just a few minor adjustments. IT

New Line Cinema's horror thriller "IT," directed by Andy Muschietti ("Mama"), is based on the hugely popular Stephen King novel of the same name, which has been terrifying readers for decades. When children begin to disappear in the town of Derry, Maine, a group of young kids are faced with their biggest fears when they square off against an evil clown named Pennywise, whose history of murder and violence dates back for centuries.
